### **Beach Education**

Dear Parents and Caregivers,

#### Beach Education

This term we will be having a Beach Education day at Titahi Bay Beach on **Wednesday 6 December**.

It is a full day trip that includes a tour of the Surf Life Saving Club; receiving surf safety messages to help stay safe at the beach; learning about the beach environment (waves, currents, rips); participating in some fun beach games; a rock pool visit and putting it all into practice in the water with some fun swimming activities.

We need lots of parent helpers in order for this day to go ahead. We need a ratio of one adult to every five children and unfortunately this trip is not suitable for pre-schoolers. Parents and teachers are expected to participate in both water and beach activities to ensure our children stay safe over the course of the day – you will get wet! Please come along and help make our day a success.

We have a postponement day booked for **Wednesday 13 December**, if the weather is not suitable on the **6 December**.

A letter will go home nearer the time with all the information about what your child needs to bring along on the Beach Education day.

Yours sincerely,  
The Rakau and Koru Team
