Beach Education

Dear Parents and Caregivers,

This term we will be attending the Beach Education program at Titahi Bay Beach on **Tuesday 13th December**.

It is a full day trip that includes a tour of the Surf Life Saving Club; receiving surf safety messages to help stay safe at the beach; learning about the role of the lifeguards and the jobs they do on the beach; learning about the beach environment (waves, currents, rips); participating in some fun beach games and putting it all into practice in the water with some fun activities.

The cost of the Beach Ed Programme is **\$5 per child**.

We need lots of parent helpers in order for this day to go ahead. We need a ratio of one adult to every five children and unfortunately this trip is not suitable for pre-schoolers. Parents and teachers are expected to participate in both water and beach activities to ensure our children stay safe over the course of the day – you will get wet! Please come along and help make our day a success.

A letter will go home nearer the time with all the information about what your child needs to bring along on the Beach Education day.

Yours sincerely,

The Kakano Team

RETURN SLIP:

Child's name _____ Room _____

I have enclosed \$5 for the Beach Ed day

I _____ can/cannot help on Tuesday 13th December.

Phone number _____
