Dear Whanau,

On Monday the 4th of November rooms 2 and 3 will be going to Carter Observatory. This trip links into our inquiry this term around the solar system. On this trip, your child will be learning about the planets in our solar system and about the stars. Carter observatory is filled with space experts so this is a very exciting opportunity for us all. They will get to go into the stardome and get up close with the stars, as well as having time to explore the museum part of the observatory. If the weather is nice we will also get time to enjoy the playground at the botanical gardens. We will be travelling by bus. The bus will be leaving school at 9.05 and returning by 2.45. The cost of this trip is \$7.50 per student. Please pay the money to the office or your child's teacher by the 1st of November. Each class will require 4 parent helpers, please specify on the form below if you are able to help and your child's teacher will notify you if they need you.

Yours sincerely

Chelsea Renshaw and Ebony Sushames

I give permission for _____ to attend the Carter Observatory trip.

I _____ would/would not like to be a parent helper.

My contact number is _____
