Chromebook Meeting for

Parents of children in Ngahere Syndicate (Y5/6)

Kia ora whanau,

Just a reminder that our Ngahere team will run a parent workshop this week on the fundamentals of Chromebooks; this will give you an insight into how they are being used in classes as a learning tool. We will share our digital citizenship KURA expectations, as well as ways for you to monitor account use at home.

We would expect to see a parent for all children at this evening session. A new contract to be signed will be sent home again after this session for you and your child to sign.
