4 February 2020

### **Novel Coronavirus Update**

Dear Parents and Caregivers

We have received new advice from the Ministry of Health and the Ministry of Education regarding action to be taken.

New Zealand citizens and permanent residents returning to New Zealand will still be able to enter NZ, as will their immediate family members, but will be required to self-isolate for 14 days on arrival back in the country.

Based on this recommendation, please advise the office **immediately** if you or any of your children who attend Titahi Bay School have travelled back from China since the novel coronavirus outbreak. Students who have recently returned from China will be required to self-isolate for 14 days before returning to Titahi Bay School, provided of course that they do not have any flu like symptoms.

Everyone's health and wellbeing is important to us. While there are no confirmed or suspected cases in New Zealand at the moment, the Ministry of Health continues to encourage a precautionary approach and a focus on good hygiene.

We have been told to err on the side of caution and to be alert but not alarmed.

Thank you for your continued co-operation.

Kerry Delaney  
Principal

Sarah Campbell  
BOT Chair
