

EPro8 Challenge

Engineer Problem Solve Innovate

Wednesday 12 September 2018

Dear Parent/Guardian

Your child has been selected to represent Titahi Bay School as part of a EPro8 Challenge team.

The EPro8 Challenge is the interschool science and engineering competition. It is designed to give students a fun and rewarding introduction to science and engineering. At each event teams will compete with other schools in our area to try and finish a variety of interesting science and engineering based challenges

The event your child will be taking part in is at Titahi Bay Intermediate on Friday 19 October from 09:30 am to 12:30 pm.

This is one of a series of events around the Wellington region, with the top teams from each event qualifying for a semi-final and then the grand final.

The cost for entry to the heat is \$30 per student which we have covered as a school. We will gratefully accept any koha towards this.

We will be sending a staff member to supervise but parents are welcome to attend as well. The events are fun to watch and it is interesting watching the children try and solve problem.

Further details of the events are at www.epro8challenge.co.nz

Please complete and return the following if you are happy for your child to attend.

Thanks

Jamie Merrick

I/We _____ give permission for _____ to attend the

EPro8 Challenge at Titahi Bay Intermediate on Friday 19 October from 09:30 am to 12:30 pm
