

3 Easy ways to help Titahi Bay School FUNDRAISING!!

1) Pak 'n' Save Receipts

Well it is as easy as shopping at Pak 'n' Save Porirua. Just keep your receipt, hand it into the office and that's it. All the receipts we are given are added up and a percentage of the total goes to purchasing resources for Te Manawa.

2) STARSHIP FOUNDATION'S SCHOOL PHONE SWAP

As a school we are participating in the Starship Foundation's School Phone Swap. Do you have any old cell phones lying around your house? Are you upgrading your work cell phones? Don't know what to do with the old phones? Here's a fantastic idea which results in helping your child's learning, helps Starship National Air Ambulance and helps the environment. Win, win and win!

3) Easy swim
