

GO! GETTERS

NGAHERE (Y5/6) Monday 14th March 2-3pm

Dear Parents and Caregivers

This Monday, the 14th of March, the whole of Ngahere syndicate will be having their special go-getter celebration treat. Your child will have the opportunity to choose from the following 2 activities.

- **Art**
- **Water fight**

If your child wants to participate in the water fight they will need the following gear:

- A change of clothes.
- Togs.
- Towel.
- Water gun/plastic bottle to fill water up with.

Please **no water balloons**, as they can be painful when thrown at close range and take a while to fill.

A go-getter is someone who has mostly stayed in the green zone of the traffic light for the past 5 weeks. You will be notified if your child is not a go-getter. Children who are not go-getters will work with Miss Bell in a social skills group in Room 10, where they will set a goal to help them achieve the next go-getters celebration at the end of this term.

Yours sincerely

Ngahere Team
