

KAKANO NEWS

Term 1 2020

Who we are

Claire Rich

I am a British teacher enjoying living and working while exploring your beautiful country. My favourite pastime is travelling!

Tayla Radovanovich

After being raised in Titahi Bay, I am excited to begin my teaching career in the school I attended. I love spending time at the beach with my friends and family.

Tanya King

I am celebrating my 20th year teaching at this amazing school and I can't wait to meet families, old and new. I love yoga and Mexican food!

Charlotte Ell

Now fully registered, I am looking forward to my third year with the beautiful year twos again. In my spare time, I love being at the gym, and am involved in my church community.

Welcome Back To School!

We hope that you had a fun summer holiday and that children are excited about starting in their new classrooms.

Our Inquiry focus this term is 'Our Local Curriculum'. We will be spending time out and about in our unique Titahi Bay community, exploring and discovering local information and treasures.

Please ensure that your child is wearing sunscreen and brings a hat every day in Term One.

Reading books will come home from week two. Please read with your child and support them with learning their words. Poem books will also come home on Fridays.
