Tomorrow will be an early start. I heard from the company this morning that we need to be at Paraparaumu Beach as soon after 8.00 as we can get there. We will meet at school at 7.20 am and make our way up to Paraparaumu Beach by car. Try to be there a little earlier – **aim for 7.15**. We can't wait around and if you are late, you will need to head straight to Paraparaumu to meet us or miss the trip. Next will be an exciting 20-minute boat ride from Paraparaumu Beach through the Kapiti Marine Sanctuary to Kapiti Island – launch off the beach in a purpose-built boat. The forecast for tomorrow is good. We get back to the beach about 2.45 so will be **back at school by 3.30**.

Everyone needs a big lunch, a water bottle, a hat, sunblock, a light jacket as there may be a light shower, good walking shoes and a bag that they can carry for a long time with these things in.

See you nice bright and early tomorrow
