KEEPING OURSELVES SAFE

4th March 2020

Dear Parents/Whanau,

It has come to our attention that some children in Kakano may need to have discussions around our bodies, keeping hands to ourselves and using the bathroom appropriately.

Over the next 2 weeks we will be running the 'Keeping Ourselves Safe' unit in our classrooms, so that our children can learn and apply a range of safety skills that they can use when interacting with others. The focus areas will be:

- My body is my own (use correct names for body parts and be able to say that their body is their own)
- Unwanted behaviour or touch (reporting bad secrets, learning what to do when people try to trick them)
- Adults who help (asking people we trust for help)

Should you have any questions about this upcoming unit of learning, please get in contact with tanya.king@titahibay.school.nz

Tanya King, Tayla Radovanovich, Charlotte Ell, Claire Rich
