14/8/19

We have one more sleep until Kotahitanga. The tamariki have been practicing hard and are looking forward to sharing their hard work with everyone.

Titahi Bay School will have our performance group performing along with Seventh Day Adventist School, Porirua School, Bishop Viard College and Titahi Bay Intermediate.

This year there will not be a combined waiata at the end of all the performances. We are encouraging whanau to stick around to watch all the performances to show your support for our local school community.

Thank you to those parents who have offered to help out on the night. If you could please meet us in the music room (at the rear of the hall, next to the woodwork room) at 5pm that would be great.

Key Information
