Skills Track Trip to Mt Victoria

This year the BOT at Titahi Bay School are exploring the option of building a skills track to further compliment the bike and pump track that we have at Titahi Bay.

Your child has been chosen to visit the Mount Victoria Skills Area in Wellington on Tuesday 6th November. We will be travelling there and back by car, leaving school at 9.30am and returning by approx. 12.30pm.

We hope to try out some of the different obstacles while we are there and gather some ideas for a possible skills area at our school.

If you have any questions, please contact Matua Gardner
