Dear Parent/Caregiver

We are excited to offer \_\_\_\_\_ a place at this year's **NYLD - NATIONAL YOUNG LEADERS DAY CONFERENCE WEDNESDAY, 22 MAY 2019** at **TE RAUPARAHA ARENA**. They have earned this opportunity by putting their hand up to lead at our school and they are doing an **AWESOME** job!

We have begun fundraising to get all 44 of our Leadership team to this event so this trip will be at **no charge** to you – We are making and selling lunches on a Wednesdays so please support our efforts over the coming weeks as every bit helps and we want to include our whole team this year.

Students are required to bring a **packed morning tea and lunch**. Please wear your **School LEADERS tops** on the day. Meet at school in the **library at 8.45am**. The event will start at 9.30am and finish at 2.30pm.

### INFORMATION FOR PARENTS FROM THE NYLD TEAM

Every child has the potential to be a leader – they may just need a little encouragement. We're dedicated to equipping young people with the skills to lead themselves and others well, through resources and events like the National Young Leaders Days. Parents play an important role in the development of leadership skills. Reinforcing the messages imparted at NYLD at home will further inspire your child to take up positions of leadership, at school, in the community, and in the future.

At NYLD, children hear from a diverse range of New Zealand leaders who share their leadership journey. There is a real sense that the leadership baton is being passed from one generation, to the next. Interactive activities, videos, question time, and student engagement is also part of the programme. We encourage you to talk to your child about the day. Who was their favourite speaker? What did they learn? It's also a good time to talk about the leadership values that are important in your own family.

NYLD in New Zealand is part of the youth division of [The Parenting Place](http://www.parentingplace.org.nz) – a nationwide not-for-profit organisation committed to providing positive and practical resources for parents and young people. Every child is looking for a parent who is an inspirational leader and a trusted mentor – no one will influence your child more than you. If you'd like to add more tools and strategies to your parenting kete and help further develop your young leader, check out the programmes run by The Parenting Place in your community.

Attending a National Young Leaders Day is just the start of your child's leadership journey. We hope that you will encourage and support them as they fulfil their dreams and become a great leader.

We have 2 space for a **parent helpers** on the day and will also need help with **transport**. If you are to help in either of these areas please indicate on the slip below.

Deputy Principal
