Have Your Say

Learning about Local Elections

Children throughout Titahi Bay School this term will be learning all about local elections. The aim is to encourage students to have a say on the decisions that affect their lives now and in the future. This unit supports students to learn about their rights, duties, and responsibilities in a democracy and to develop understandings of how they can influence what happens in their school and community. It focuses on promoting students' critical thinking and their knowledge of citizens' rights and responsibilities to contribute and participate in decision-making.

AROUND the WORLD

Physical Education

Our focus this term will be on gymnastics. We will be running this on a Tuesday and Thursday. Can you please help us to remind your child to dress appropriately for this.

Wonders of the World

The students have been showing a lot of interest in the World map and where different countries are. This term we will be exploring and learning about how to say hello and goodbye in a different language, know how to say please and thank you in a different language, name each continent, locate key countries on each continent, identify country's flag and main attraction of that country, identify currency of country, national costume and distinguished foods from that country.

Encouraging a life long love of learning

- Maths Whizz at home for a minimum of 30 minutes 3 times a week
- Children may bring home a text to read with you or encourage them to choose a book from the library to read each night
- Attached is a list of spelling words used in writing. Please make a time to practice these
