Reminders:

Homework—children may bring home a text to read with you. We encourage you to set a routine at home with your child to use Maths Whizz at home for a minimum of 30x minutes three times a week on tutor mode. Attached is a spelling list of essential words used in writing. Please make time to practise spelling these with your child at home to support their mastery of these words in their writing.

Parent—student—teacher interviews

PHYSICAL EDUCATION

Continuing on from all our triathlon training, the children will be building their stamina with daily running as they prepare for our annual school cross country event. Please ensure they come to school with appropriate footwear, water bottles and a spare change of clothes as they may get muddy.

Children will also have opportunity to learn net and wall ball skills.

Police in our Community

This is set to be a great term of inquiry learning. Children will be exploring the importance of Police in their community. They will have opportunities to ask questions, and research to find out information about the following—the role of women in the Police, the role of police dogs, changes in uniform and police vehicles, the process of police recruitment, fingerprinting, and how loss of life on duty is acknowledged. They will be meeting different people from the Police force who will come in and speak with them about their involvement in the Police. They will also attend a trip to The Police Museum.
