finish

## Reminders:

- Term 4 is one of our SUN SMART terms so all children must bring their hat daily to wear when outside.
- 3x progressions weekly to achieve green tick on Maths Whizz.
- 60 minutes spent on tutor and 30 mins spent consolidating learning on replay.

Titahi Bay School

## Information and Technology Inquiry

This term we will explore how to use technology better in our classrooms. This will include clever use of iPads to take photos, crop them and edit them. Look out on See-saw.

We'll also use some new iPad apps for writing and maths. We will be learning some keyboard shortcuts on Chromebooks to save time.

We will explore the Kahoot website, which is used to design and create quizzes.

The Ngā Manu team will also be tackling some science experiments in class on Fridays.

The first two weeks of term will have a strong focus on preparing for our school show, which is on the Friday of week 2. We do expect all children to attend our evening performance. (A separate notice will come home about this during Week 1)

# THE DANCE SHOW

# CHOOSE KIND

## SPORT

Our sport focuses will be athletics, touch rugby as well as striking and fielding.

## Spelling

Practise essential spelling words with your child at home to support their writing. (See attached handout)

Kura Value: **Manaakitanga (Kindness)**
