1 June 2017

Dear Parent / Caregivers

As part of our Inquiry into water this term, Rooms 18 and 11 will be testing the quality of the water in our local stream. We will walk down to Onepoto Park (Kahotea Stream) to do some water testing. The aim of this trip is to develop water quality testing skills and to investigate human impact on our local stream.

We will need parent supervision to be able to do this. Please indicate below if you are available to assist us in walking to and from the stream and supervising students near water. It is important that we get as many parents as we can, otherwise we will not be able to go.

This trip will take place on Wednesday 14 June 2017 (postponement date Tuesday 20 June). We will be leaving school at 11.00am and return to school at 12.30pm.

Your child will need the following items:

- 1) Sun hat
- 2) Sunscreen
- 3) Towel and change of clothes. (in case they get wet).
- 4) A good pair of shoes for walking and gumboots or old shoes for wearing in the water.
- 5) Warm clothes.

Please return the permission slip below as soon as possible. Your child will not be able to attend without this permission slip.

Regards
Gillian Tumoana
Janelle Reid
