We want to celebrate the inclusive and caring way that your child has looked after their peers. This celebration is for the children who have kept our Road crossing safe before and after school and for those have volunteered to work with children who have special needs during break times through Terms 3 and 4. To do this we have organised a fun session down at Te Rauparaha Arena on Monday 3rd December where we will get to celebrate together. We will be travelling there on Te Pahi, Porirua City Council's community bus. We will be leaving school in two groups with the first leaving at 10.45 and the second leaving at 11.15. On the way back the first group will leave the pool at 2.00 with the second leaving at 2.30 We need at least 6 adult helpers on the day in addition to the staff who will be attending. If you are free on the day and are willing to help supervise please put this on when filling out the bottom section.

We will have some sausages cooked on the BBQ at the pool. Children will still need some lunch and a big drink.

They will need to bring swimming gear:

- Togs
- Towel
- Goggles etc.

We really appreciate all they do for our school and their peers. Thank you.
