Trip to Takapuwahia Marae

12th May 2017

As part of our 'Water' inquiry this term Room 11 & 18 have the opportunity to speak to Ngati Toa Kaumatua about Porirua Harbour in the old days. This is a great way to use our local resources to learn more about our harbour as a taonga.

This trip will take place on **Tuesday 16th May**. We will be walking down to Takapuwahia Marae leaving school at 9:10 and we will return at approx. 11am. We will need parent helpers in order for this day to go ahead. If you are available to help walk our tamariki down to Takapuwahia on the day please let us know by filling in the permission slip below.

If it is raining we will kindly ask the kaumatua to come up to us at school. This information will be on the school website and facebook page by 8am on Wednesday.

This is a great learning experience for our tamariki and they are looking forward to hearing about the difference between the harbour now and 50 years ago. If you have any further please either come in and see us or email janelle.reid@titahibay.school.nz or gillian.tumoana@titahibay.school.nz

Thank you for your support,
Janelle Reid and Gillian Tumoana
