Dear Parents/Caregivers,

We'd like to take the Rakau syndicate to Titahi Bay for an afternoon of fun, play, sun, and relationship building with children and whanau. As part of our build up to the triathlon we'd also like to give the children the opportunity to practise the swimming aspect of the race, which will involve going in roughly waist-high water and wading; not swimming. Afterwards we'd like to give the children free time playing in the water at the same depth, or building sand castles on the beach.

In order to make this happen, we'll need 20 parent helpers who are happy to actively supervise children in the water, along with our staff, to ensure all children are safe.

Details:

Thursday 3 March, 12:30-3:00

Bring togs, lunch, water, hat, sunscreen

Please let us know if you can attend, and in what capacity

Rakau Team: Jamie Merrick, Sharon Hartley, Jacinta Hamer, Phil Edgecombe, Grace Mulvihill, Karly Logan

I can actively supervise children in the water on March 3

I can only supervise on the beach
