**Parent Workshop (Maths Whizz, Reading Eggs)
Monday 10th April 6 - 7 pm Staffroom**

Dear

We would like to invite you to a parent workshop with your child _____ next week to show you two programmes that we are currently using in school to support your child with their learning. These are:

- Reading Eggs <http://readingeggs.co.nz/>
- Maths Whizz <https://www.whizz.com/>

If you can attend this workshop - please confirm your attendance for us by Thursday 6th April. We will organise your child's chromebook to be available in the staffroom where the workshop will take place. After briefly running through how we use these programmes at school, we will take you through some specific features that you can use to keep informed of your child's progress. We will also give you advice on how you can support your child while they are using these programmes at home. During this session, you will have time to sit alongside your child while they complete activities using these programmes.

We look forward to meeting with you and having the opportunity to answer any questions you may have about these programmes so you can more effectively support your child at home.

Thank you

Candis Wood Maths Leader (Room 12) Email candis.wood@titahibay.school.nz

Nicky Bell Literacy Leader (Room 10) Email nicky.bell@titahibay.school.nz

Parent Workshop (Maths Whizz, Reading Eggs) Monday 10th April 6 - 7 pm Staffroom

Name of your child _____

I can/cannot (please circle) attend the workshop explained above.
