26th October

Dear Parents/Caregivers,

Your child has shown an interest in being a member of our school traffic safety team.

They'll be joining our school patrol team. School traffic safety teams have an important role in keeping our children safe on the roads. Being a team member is a significant responsibility that requires special training by a school community officer.

We have training for our school patrol team next Thursday November 3rd at 9am with our school community officer.

Once trained, your child will be rostered duties for the rest of term 4, under the supervision of current road patrollers.

I am writing to ask your permission for your child to join the team. If you agree, you'll need to make sure that your child turns up on time for their rostered duties.

We will provide a roster and a timetable for your information.

We look forward to hearing from you.

Regards

Delwyn Gardner
(Road Patrol Supervisor)
