

# TITAHI BAY SCHOOL TRIATHLON 2020

## Wednesday 1 April at Titahi Bay School

20/3/2020

As you will be aware, we have had to change the format of our Triathlon this year in light of the Covid-19 pandemic. We will be holding the Triathlon this year AT school on Wednesday 1 April (postponement Friday 3 April).

As we have to limit the number of people who gather together, each year group will have a session on the revised TRI track which is now on the school grounds. Unfortunately this also means we will not be able to invite whanau to this event but will still ensure that this is a FUN experience for our tamariki. There will be pictures taken on the day of each child and a photo montage of the day for you to see. Each participant will receive a Medal and there will be cups presented to our winners.

The route will still be a run and bike and we are going to get creative with an alternative "water" element so will ask that the children come to school with a change of clothes on that day.

Tri t-shirts will be provided for every child thanks to our kind Sponsors, these will be given out the day before the Triathlon.

The children will be able to order a school lunch that day we will be selling Chicken Burgers \$5, Sausages \$2 and Ice Blocks \$1. You will be able to preorder these in the same way that you order Friday lunches (from the School App or from the Office. We had asked for food donations but now will no longer require this support.

We are still asking for sponsorship for our children so please continue to ask for sponsors from whanau and friends or donate via the give a little page <https://givealittle.co.nz/cause/titahi-bay-schools-annual-triathlon-2020>. This is still our main fundraiser for the year and any funds collected will go towards improving our outdoor environment at the school.

If you still would like to help on the day with the lunches please contact the home and school team on [homeschool@titahibay.school.nz](mailto:homeschool@titahibay.school.nz) and don't forget to send your child with a gold coin or two on the day.

It is disappointing that we cannot share the event with our larger community at the beach but under the circumstances, this is the right thing to do for our children, families and community. It will be a great day!

Thank you for your support and understanding.

Regards

The Home and School Team
