Curriculum Focus

During the first few weeks of school we will be establishing our class programmes and routines, as the children settle and transition into their new classes.

Literacy programmes (Spelling, Oral Language, Writing, Reading and Printing), and Maths programmes are taught daily. The afternoon programme is largely developmental, integrating Inquiry (topic), with Art and other experiences.

Our Inquiry topics for term one are: **All About Me** and **Life Cycles: Monarch Butterfly/Frogs**.

Each class also has timetabled sessions in Te Manawa (our developmental learning space) each week.

We do Physical Education at least twice a week for 20-30 minutes. To start the term we will be training daily for our school Triathlon. Please make sure your child brings appropriate footwear and brings a helmet. Later in the term we will be taking part in the Little Sticks Hockey programme.

We will have a Te Wana Hui (Assembly) on Friday afternoons at 12:00-12:30 pm in Room 1. You are welcome to join us.

Please ensure your child's stationery is sent to school as soon as possible. If you need a new stationery list, the office have copies they can give you.

We will attach a copy of our class timetable to this letter.

KURA

For those of you who are new to our school, we talk a lot with our children about being KURA. This stands for Kindness, Unity, Respect and Achieve. It is the foundation for social lessons that we work on with the children throughout the year, and is a big part of who we are at Titahi Bay School.

We also have an individual class reward system used in class to encourage and praise positive behaviour. Children may receive small prizes when they have reached a specific target or goal.

We are happy to explain this further in person if you have any questions, or check out our school website for further information on our PB4L (Positive Behaviour for Learning) school.

Homework

Readers will start coming home by week 4. Please check your child's book bag each day and fill out their reading log. In general a book will come home Monday through to Thursday and a Poem book will come home on a Friday.

It is important that your child learn their alphabet as quickly as possible to help them in their reading and writing. Please help your child to practise any letters they need to learn.

High frequency words will be sent home for your child to learn. Being able to recognise these quickly will make a huge difference in your child's reading development. Your child can also practise spelling a few of these.

Some resources to help with counting practise may also be sent home.

Parent Afternoon

On Thursday 15 February we will be having a Parent Afternoon from 3:15-4:15 pm. This is a chance for you to come and meet the teachers of the Te Wana Hub. We will be talking to you about PB4L (KURA), how our team works/typical school day, home support and Seesaw.

There will be a chance to visit your child's classroom and chat informally with his/her teacher. This might also be a great time to meet and connect with other whanau.

Triathlon

Our school Triathlon is an annual event to raise money for big projects around our school. This year we'll be raising money for a new sports shed and new sports gear. We really want to see all children involved in this. We will be training every day at school, and would like for the children to bring their bike/scooter to school while we are training – don't forget their helmets! Apart from the money raised, the children have a lot of fun participating in this event, and get a real sense of achievement from having completed a Triathlon.

Hats

We are a Sun Smart school. As such we have a "no hat, no play" policy in terms 1 and 4, and encourage children to still use hats in terms 2 & 3. If possible, it is a good idea to get a hat that can be left in their school bags.

Milk in Schools

Every day after lunch children will be offered a small carton of milk. They do not have to drink this if they don't wish to. If your child is allergic to milk, or you do not wish him/her to have milk, please let us know as soon as possible.

Recycling and "Rubbish Free" Lunches

We actively promote the concepts of Reduce, Reuse, Recycle with the children. As such we would appreciate it if you could try and use reusable options when packing your child's lunch, e.g. plastic containers.

Pak 'N Save Receipts

For every Pak 'N Save receipt the school is given, we can claim a percentage back as a fundraiser. The money we get from this funds equipment for our developmental play area Te Manawa. So if you, or any of your family members shop at Porirua Pak 'N Save, could you please send the receipts to the school office.

Spare Clothes

Just a reminder that it is a good idea to pack a change of spare clothes for your child. If you wish you are welcome to leave a plastic bag with spare clothes hanging on your child's bag hook at school.

Communication

Please feel free to visit your child's classroom regularly. Parent involvement in a child's education is essential. Talk to your child and their teacher about the things that they have been doing at school, and ask your child's teacher about ways that you can support our classroom programmes.

Communication is very important, and email is often the most effective way for us to contact parents as individuals and as a group. Please make sure that your child's teacher has your current email address.

Our school website <http://www.titahibay.school.nz/> has information about our school and what's happening. We also have a Facebook page – if you have a Facebook account you can “like” us and then you will see posts, including updates/reminders about school events.

We look forward to teaching your child, and working with you to help him/her to be a happy and successful learner. Please don't hesitate to contact us with any questions or concerns. We can be emailed at:

fiona.fitzgerald@titahibay.school.nz, sharon.thompson@titahibay.school.nz,
kristina.stevens@titahibay.school.nz nadia.collins@titahibay.school.nz, or try and catch us before or after school.
