## TERM THREE SUCCESSES

**Noho** – What a great experience the students had sleeping over at school. This was a huge success.

**Measurement** – The students loved learning about volume and capacity, they particularly enjoyed cooking and eating.

**Letters to Kenya** – We wait in anticipation for our reply letters from the children we wrote to in Kenya.

### HATS

Children must wear hats when outside this term. If they do not have a hat, they can not be in the sun. A good idea is to have a named hat that stays at school.

The second half of the Term will be striking and fielding.
