Term 4

Welcome back to the final term of 2018. This is another busy term with lots of exciting things happening. During weeks 1-5 we will be very busy practicing for our junior school production 'Trouble in Paradise'. We will be performing the show on the 13th and 14th of November. We also have athletics day on the 30th of October. Our PE skills program will be focussed around developing our skills in athletics so that we feel confident at participating on the day. It's always lovely to see so many parents there cheering on the children so mark the date down in your diary. We will be continuing to develop our skills in Numeracy and Literacy through daily practice in the class. Our Numeracy strand focus for this term is geometry. Your child's school report will come home on the 10th of December this will also notify you as to who will be their teacher in 2019. On the 11th of December every child will spend the afternoon with their new teacher for 2019. To celebrate the end of the year we will have our KURA on the green evening on the 6th of December. This is a night for us to all come together to celebrate the year.

Exciting programs for term 4

- Jelly bean music weeks 1-9
- Athletics: weeks 1-4
- Net and Wall games: weeks 5-9
- Production practices week 1-5
- Geometry strand focus in Maths

Important Dates

Powhiri: 29th of October and 26th of November

Junior school production: 13th and 14th of November

Things to know

Term 4 is a hat term. This means every child must wear a hat when outside. Please name your child's hat so if it gets lost it can be easily returned. Please get/help your child to put sunscreen on before they come to school so they are protected when they go outside to play. We will have sunblock in class for the kids to use and re apply throughout the day. Later in the term we will be asking for parent helpers for our trip to Waikanae Pools which will be on the 19th of November this trip will be \$3 per child. This is to help cover the cost of buses and pool entry.
