16 March 2020

Tēnā koutou

The Titahi Bay School Board of Trustees has made the difficult decision to call off the triathlon that was due to be held on Saturday 28<sup>th</sup> March. This is due to both the current Covid-19 situation and ongoing issues with the water quality at Titahi Bay Beach. The decision has been made to ensure the safety of our students, staff and wider community, and has not been taken lightly.

The triathlon is our major fundraising event of the year and participation is a highlight for many of our students. Miranda McMahon and the Home and School Committee will work together to plan an alternative, school-based triathlon that will still allow all Kura kids to compete and to be sponsored for their participation. Information about this will be shared in due course

We thank you for your understanding. If you have any questions, please email
