Dear Parents/Caregivers of 2019 Enviro Leaders

We have been invited to take part in a planting day near Onehunga Bay scheduled for Friday June 21st from 10am (leaving school at 9.40) until 11:30 (back at school by midday at latest), being run by The Whitireia Park Restoration Group.

The planting day is being supported by Conservation Volunteers, who will organise all the logistics, including equipment, and health and safety. Students need to dress for the weather and wear sturdy footwear (and bring a drink bottle and morning tea). There will be a 10 minute walk from the Onehunga Bay carpark to the planting site.

If you consent for your child to travel to and from Whitireia Park in a car and take part in planting trees please fill in the slip below.

We need adult supervisors to help supervise our children on the day. Please tick the appropriate box on the form below saying whether you are able to come and help out on the day or not.

Thank you
Jamie Merrick
