Dear Parent/Caregiver,

We are taking a group of children to Whitireia Performing Art's "Bienvenue" Production on Tuesday 4 July.

We will be supporting the Arts programme at Whitireia and exposing our children to a high quality performance. Two children from each class have been selected to go on this trip and as your child shows an interest in the Performing Arts we are excited to offer them a place.

We will be travelling by bus to the Theatre, 25 Vivian St, Te Aro, Wellington. We will leave school at 9:30 for the 10:30 performance returning to school at lunchtime.

There will be no charge for this trip as the school will cover the cost but if you would like to donate some money towards the cost then please send your donation along with the permission slip to the office.

We will require some **parent help** on the day, sorry no pre-schoolers. If you would like to join us then please indicate on the slip below.

Students will need to meet in the library at 9:30 with their **packed morning tea**.

Regards

Mike Laing  
 Assistant Principal
