Dear Parents/Caregiver

Your child has expressed an interest in being a Year 6 Leader next year. We have spoken to the children about what this involves. Part of their role as a Leader is speaking to groups of children or adults and they have been asked to prepare a letter, speech or video to share.

There will be time in the first week of term for children to work on their speech but some children are really excited about this opportunity and want to work on this over the holidays. Hence this information sheet coming out to you today.

We do not want this to be a stressful thing but we see it as an exciting opportunity for your child any questions feel free to contact me directly
