

Hi Year 6 whanau

We have to make a change to our plans for tomorrow. A part of the cycleway is closed. This message was on Porirua City Council's facebook page yesterday.

Just a heads up!

Part of Te Ara Tawa path will be closed for the rest of 2017. D'Oh! But it's for a good cause because its closure will help us construct part of the new Kenepuru Interchange.

Please follow the alternate route during this time, and we'll let you know when this great pathway reopens in the New Year. 🌟

Because the detour is up onto Kenepuru drive which is a busy road we feel this is too unsafe for us to take our tamariki cycling on.

We will instead cycle around the pathway to Onehunga Bay as we did a couple of weeks ago. We will still do a BBQ. We will play there and children will be allowed to wade in the water (Up to knee height).

We want to have fun but also keep it safe. If you were planning to come with us please still do. It will be a great day. Meeting at 9.15 for a 9.30 start.

Children will need:

Bike and helmet (some available to use from school)

Sunhat

Lots of water

Thank you

Candis, Jamie, Phil, Sharon, Matt and Del.
