**TITAHI BAY SCHOOL
BOARD OF TRUSTEES**

10 May 2013

Hi Everyone,

We're in the process of reviewing our after-school care arrangement with Bay Kids Club and relocating the program to another part of the school (potentially the library and Te Manawa area). This is due to both a requirement by Bay Kids Club to have safe and convenient access to toilet facilities and competing demands for the school hall.

We are really aware of the importance of after-school care to our families and our intention is to make sure that we maintain a high quality and reasonably priced after-school care program.

We'll keep you informed as we progress.
