1st February 2019

### **Beach Education** **Te Whare Piritahi (rooms 1, 2, 3 & 19)**

Dear Parents and Caregivers,

This term we are participating in a beach safety program run by the life guards from Titahi Bay Surf Club. During this day children will learn about water safety and what to do if they get into trouble in the water. They will also participate in some fun surf lifesaving activities, swim in the ocean and learn about their local surf club. The cost of this program is usually \$5 per child but our school is kindly covering the cost as we believe it is important for all children to learn water safety skills.

We are all going to be participating in our **Beach Education Programme on Monday the 11th of February**

In order to swim, we need lots of parent helpers to help in the water (at least one adult to every five children). Parents and teachers are expected to participate in both water and beach activities – you will get wet! Unfortunately this trip is not suitable for pre-schoolers.

#### Gear list - Your child will need

Swimming togs

Towel

A big lunch and drink

Sun hat

Suitable shoes for walking/running

Warm jacket

Please come along and help make our day a success.

Yours sincerely,

The Te Whare Piritahi Team
