Dear Whānau

On Monday we will host the Associate Minister of transport Julie Anne Genter at our school to launch the Bike Ready initiative, which will help lots of other schools across New Zealand. We love that this is happening at our school as we believe at Titahi Bay School that all our KURA kids should have a bike and be able to ride. Cycling is fun and an easy way to make exercise a part of everyday life. So please send your child to school on Monday with their bike so we can show the Minister how much we like biking at our school.

Yours sincerely

Kerry Delaney

Principal
