**EARLY CHILDHOOD EDUCATION**  
**(To be completed for 5 year olds only)**

Child's name.....

Please complete the table below for the last Early Childhood Education Service(s) that your child attended.

- If your child attended more than one service at the same time, please enter hours per week for up to three services.
- If your child changed services within 6 months prior to starting school, please only fill in the table for the last service only.
- If the hours of attendance per week varied or if you are unsure, please enter an approximate or average number of hours per week.

Or tick the appropriate box in the second table.

Please enter the number of <u>hours per week</u> for up to three services	Service 1 (hrs/week)	Service 2 (hrs/week)	Service 3 (hrs/week)
<b>a</b> Kohanga Reo			
<b>b</b> Playcentre			
<b>c</b> Kindergarten or Education and Care Centre			
<b>d</b> Home Based Service			
<b>e</b> Playgroup			
<b>f</b> The Correspondence School – Te Aho o Te Kura Pounamu			

Or

Please tick the appropriate box	
<b>g</b> Attended, but only outside of New Zealand	
<b>h</b> Attended, but don't know what type of service	
<b>i</b> Did not attend	
<b>j</b> Unable to establish if attended or not	

Did your child regularly attend Early Childhood Education? Please tick the appropriate statement  
 ("Regularly attend" means your child was booked in to a service for sessions each week/fortnight)

- ..... Yes, for the last.....years
- ..... Not regularly, only occasionally with no on-going schedule
- ..... No, did not attend ECE

Parent / Guardian signature..... Date.....

**IMPORTANT NOTICE – SEVERE FOOD ALLERGY**

We have several children with severe and life threatening allergies to nuts at Titahi Bay School. If some of these children come into contact with nuts or nut products, even by touching some nut residue left on surfaces, they can have a life threatening allergic reaction. The school needs to take every practical precaution to avoid a severe reaction and keep these children safe.

It would be a huge help to us if children **did not** bring peanuts, peanut butter, cashew nuts and nutella sandwiches as well as muesli bars containing nuts and other foods containing nuts, to school. Of particular concern are wet days when children eat inside and surfaces can be contaminated. It is very difficult for children to eat a peanut butter sandwich without mess!

We realize that many food products state on their packaging "may contain traces of peanuts or nuts". Provided that nuts are not an actual ingredient then there is no problem with your child bringing these products to school.

We appreciate your understanding in this matter.

# TITAHI BAY SCHOOL: INTERNET USE BY STUDENTS

## Parent permission form and user agreement

The school makes regular use of the internet as an integral and important part of its teaching and learning programmes. It enables our children to seek and gather information and communicate beyond the classroom. Our goal is to make this accessible to all at Titahi Bay School. To gain access to e-mail, the internet and other ICT tools, all students must agree to follow the school's cyber safety expectations and obtain the permission of their parents/caregivers.

To support our use of this resource we have developed a set of cyber safety expectations we expect all children to abide by. A copy of these expectations, along with an explanation of their purpose, is attached.

This form seeks your permission for your child to use this facility and acknowledges their agreement to abide by the school's cyber safety expectations as verified by the signatures below.

While most of the material on the internet is harmless, families should be aware that the nature of some material makes it undesirable for children viewing. It is also possible to purchase goods and services. While the school has in place measures to make this unlikely, exceptions may not be ruled out.

As parent or caregiver of a student at Titahi Bay School, I have read this form and the attached documents and conditions. I have discussed this with my child.

1. I understand that school computers, the internet and ICT equipment are used for educational purposes.
2. I understand that failure to act as a good user will result in loss of access to the internet and ICT resources.
3. I understand that the school cannot be held responsible or liable for material found by students or for goods purchased.
4. I understand that photographs of my child or a piece of their work may from time-to-time be published on our school website/school Facebook or class blog site and give consent for this.
5. I understand the signed copy of this agreement will be kept at school.

As parent or caregiver, I give consent for.....to have access to the internet, ICT equipment and to be published on the internet (see 4 above).

**Parent/Caregiver name**.....(please print)

**Parent/Caregiver signature**.....**Date**.....

## TITAHI BAY SCHOOL'S CYBERSAFETY EXPECTATIONS- For Students

### Note for Parents/Legal Guardians/Caregivers:

At Titahi Bay School we aim to utilise Information and communication technology throughout all classes and across all ages. To ensure that all children learn to use the equipment appropriately and keep safe, please read and discuss these expectations with your child. **I can use the school computers and other school ICT equipment only for school work.** *This helps to ensure the equipment is available when students need to use it for their learning. It will also help to reduce the likelihood of any inappropriate activities taking place which put at risk the safety of the learning environment. If I am not feeling safe at any time or accidentally find mean or rude or dangerous things on the computer or other ICT equipment, I will tell the teacher straight away, without showing any other children.*

*Because anyone at all can publish material on the Internet, It does contain material which is inappropriate, and in some cases illegal. The school has taken a number of steps to prevent this material from being accessed. However, there always remains the possibility that a student may inadvertently stumble across something inappropriate. Encouraging the student to tell a teacher immediately if they find something which they suspect may be inappropriate, encourages critical thinking and helps children to take responsibility for their actions and keep themselves, and others, safe. This way, they contribute to the cyber safety of the school community. I will not use ICT equipment to be mean or rude.*

*Bullying is not tolerated at Titahi Bay School. When I have my own password, I will only log on with that password. I will not share my password with any other student and I will log off before letting someone else use the computer.*

*Passwords perform two functions. Firstly, they help to ensure only approved persons can access the school ICT facilities. Secondly, it ensures that students own work is identifiable and kept safe. I will check with the teacher before giving anyone information about myself or others when using the internet or a mobile phone- this includes home and email addresses, and phone numbers.*

*This reduces the risk of your child, or other children, being contacted by someone who wishes to upset or harm them, or use their identity for purposes which might compromise the child's privacy or security online.*

**I will not download any files or programmes(such as games or music) without the teachers permission.**

*Not downloading files keeps both the student and the equipment safe. Many files available on the internet are covered by copyright and although they can be easily downloaded, it may be illegal to do so.*

*Sometimes even innocent-looking files may contain malicious content such as viruses, or spyware(software that searches for personal information from your computer and transmits it to others on the internet). As well, some files may contain inappropriate or illegal material.*

**I will acknowledge where work has come from, if I have copied it from somewhere. This includes graphic and sound files I use in my schoolwork.**

*The internet has allowed easy access to a huge range of information which can be incorporated into students' work by simply cutting and pasting. The value to students' learning is questionable if they have not processed the information themselves and it is unethical to claim others work as your own.*

**I understand that the computer is like my exercise book. The staff may view my work and select items for sharing at times. I may not access or alter the work of other children without their permission.**

*From time-to-time we would like the opportunity to place either a photograph or piece of work from your child on our website or class blog sites. As professionals we will always be thoughtful and only publish material that is suitable.*

## CIVIL DEFENCE PERSONAL KITS

In order to ensure we are prepared for an emergency during school time, each child in the school has a personal emergency kit that is kept with their classroom teacher. These kits are updated yearly and transferred to their next class at the end of each year.

The emergency kits also include vital information such as allergies, health needs and the name of caregivers that are authorised to pick your child up from school in the event that you are unable.

### This kit should contain: -

- A can of food – this needs to be something that your child will eat and can be eaten straight out of the can without cooking
- some wrapped long life lollies (e.g. barley sugars)
- sealed peanut free snacks – muesli/fruit bars.
- something for your child to play with (crayons, playing cards, knuckle bones)

Each kit needs to be sealed in an ice-cream container. This container needs to be labelled with your child's name, emergency contact details, names of those who have permission to pick your child up in the event of an emergency (if you are unable) and any health issues.

Child's name .....

Medical conditions/concern .....

.....

Parent/caregiver names .....

.....

Contact numbers .....

If I am unable to pick my child up from school during an emergency event , the following people have my permission to collect my child .
