KERRY'S THOUGHTS

Tēna Koe, Talofa Lava, Kia Orana, Malo e lelei,
Bula vinaka,
Fakalofa lahi atu, Taloha ni, Fakatalofa atu
and warm greetings to you all

Week 5 is over and we are starting week 6 on Monday hopefully back at Level 1. Thank you for dropping your KURA kids at the front or back gate. This is our norm now whilst we are in these times.

I want you to work with us on school lunches as it is not an easy task to set up. We have 391 KURA kids and they are not all going to like the menu. What I can tell you is it is healthy and been set up by Health providers and Dieticians.

We are hoping that everything gets signed off and we are ready to roll with the lunches on the 15 March. I have fast tracked this so we have a few weeks at the end of Term 1 to iron out any issues we might have and then be able to go into Term 2 with clear procedures.

IF YOU **DON'T** WANT YOUR CHILD TO GET A LUNCH YOU MUST EMAIL THE OFFICE – office@titahibay.school.nz.

We will be using our fruit in schools as morning tea for our KURA kids and then at lunch time they will get delivered lunch. It comes in a plastic container which we send back at the end of the day and will be recycled.

ALL you will need to send to school is a DRINK.

I want you to work with us, I want to avoid emails each day saying children do not like certain foods. We do need to do the full fortnightly menu cycle to see how it goes. Each day our KURA kids will put their container in one of three boxes. One with a happy face, one with a neutral face and one with a sad face - this way our provider will collect the data each day and at the end of the first four weeks we will be able to clearly see what was liked and what wasn't.

All the scraps and rubbish are taken from our site each day, so again this is wonderful for our school.

There will be 2 lunches, one for Gluten, Vegan, Vegetarian and Halal and the other for everyone else. Remember Jodene in the office must know the names of these KURA kids so we can order the lunches. We thank the whānau who have done this and I have rung you all so well done.

We cannot guarantee a lunch that is peanut free as the companies use commercial kitchens and they said there could always be a trace of nuts. SO at this stage we want children who have an anaphylactic peanut allergy to continue with their own lunch until we find a solution, this will be in Term 2.

SAUSAGE SIZZLE

We will have out our last sausage sizzle on Wednesday this coming week before we go to school lunches. - \$2 for sausage in bread with sauce. Bring your money in on Monday and Tuesday and take to the office.

SEESAW

You will have been contacted by teachers around setting up for SEESAW as this will be our main communication with you if we go into Level 3. It is really important that we can be in contact with you. If you have had trouble doing this please contact Jamie Merrick Year 4- 6 or Miranda McMahon in Year 1-3. We only have 12 of our KURA kids not set up so again well done to everyone.

SUPPORT STAFF

We have a great team of Support Staff who work at Titahi Bay School. They work in all areas of our school working in classrooms, small groups of children and also individually. They also work in our playground and in a variety of ways around our school.

Chantelle Fernie

Leah Jones

Sally Jackson

Shelly Gudsell

Rachel Griffiths

Steve Jackson

Jim Delaney

Sandy Broughton

Steve and Jim are our Caretakers and odd jobs men. Steve and Sandy are also our school cleaners.

Lisa Campbell and Jodene Gooch

In the office we have Lisa Campbell and Jodene Gooch. They are the friendly voices you hear on the end of the phone, or greeting you in the Office. They do many things including running the office, typing, checking absences, answering phones, running messages, first aid, listening to children chat, and all the varied admin jobs that need doing in a school.

RUBBISH OUTSIDE SCHOOL

Every day we are picking up coffee cups, food wrappers, empty cigarette boxes and it is really YUCK- this isn't dropped by our KURA kids as they know how to respect our environment they do it every day in our school. This is done by adults and I am asking that you don't put your empty coffee cup in the gutter you take it home and put it in the bin. PLEASE if you see anyone doing this remind them about the R in our KURA values - Respect.

ROOM 14

In Room 14 once a week and then later in the year for 6 weeks there will be a Trainee teacher called Aliysha Koha-Framhein

HEALTHY ACTIVE STUDENTS

We are on professional development this year around healthy active students. The University we are working with are gathering data from our KURA kids, teachers and whānau. This short, 5-10 minute, anonymous survey is about child/children aged 5-13 years old and their experiences with physical activity, health, and PE at school and within the community. The results of the survey will help the evaluators to understand parents,

caregivers and whānau thoughts on what and how school is helping children to be physically active and eat healthily at school and where there are opportunities for changes.
