Kia Ora Whānau

Nau mai, haere mai, Welcome to Term 4. The countdown to the end of the year has begun. We have lots planned for the 9 week term. We have our first ever sports exchange with Redwood School, as well as whole school athletics, Year 6 Camp, and we finish the term with our Year 6 Leavers Celebration evening.

As always - if you have any questions please don't hesitate to get in touch

WHAT'S HAPPENING THIS TERM

Seesaw

Throughout Term 4 we will be reporting on Maths. This post will be a real-time report with something that your child can do and is working on. Other topics will be posted throughout the term. At the end of Term 4 the KURA comment will be posted. We encourage you to like and comment on your child's posts.

Year 6 Leavers

It is this term that we say farewell to our Year 6 tamariki. Our Year 6 Leavers night will be in Week 9 on Tuesday 13th December at 6pm. Tickets will be made available later in the term and will be limited to 2 per family. If you have not yet enrolled your year 6 in an Intermediate, please do so.

CAMP

Camp is in week 6 this term - 23-25 November. Thank you for those who have already paid the \$100. This can be paid to the office or online. We will be working with children to identify cabin buddies early in Term 4.

A link to the gear list is below. This will be an amazing experience.

[Gear list.](#)

Hākinakina/Sports

We have a number of opportunities for our tamariki to get out there for some korikori tīnana (physical activity) this term. Our Redwood Exchange will take place **Taite 27th October**, School Athletics day **Wenerei 2nd November**, Ki o Rahi and more. Keep an eye out for notices.

Design Technology

At the end of Term 3 Ngahere students began to combine their learning of māori kupu, and design skills to make a board game. They will continue to follow the design process in Term 4 to create a game that engages players in an immersive Te Reo experience.

Keeping Ourselves Safe

Teaching students a range of safe practices that they can use when interacting with other people, both online and face to face. How to recognise healthy and unhealthy relationships. It is a preventative programme to reduce harm to our tamariki.
