29/30 Sep	School Show
1st Oct	Term 3 ends
18th Oct	Term 4 starts

Welcome back to Term 3!

We hope you had a wonderful break and are ready for a fun filled term!

This term electives will be running on a Friday weeks 3-7. Your child put in their selection for this last term.

We will continue to have weekly Kapa Haka and Kapa Siva sessions.

Term 3 is often a wet and muddy term so a change of clothes in your child's bag is a good idea.

Don't forget to check the website, Facebook page and newsletters for all the latest information.

We had lots of fun on the last day of term 2 wearing our pyjamas and watching a movie for Go Getters.

Our Learning Focus for Term 3

This term our topics will be: "Friends" weeks 1-4, "Space" weeks 5 - 8, and "Spring" weeks 9 & 10.

Our KURA focus will be "Achieve".

Our main focus for Maths will be Number, with a Geometry unit mid way through the term.

In P.E we will start the term with Team Games and move on to Gymnastics. We will also be running a Perceptual Motor Programme this term.
